In the event of a laser accident, do the following:

1. Shut down the laser system.

2. Provide for the safety of personnel (first aid, evacuation, etc.). Seek medical assistance:

   **Laser Injuries:**

   During normal business hours (8:00 — 4:30):

   If you are an employee of UCSD, contact Occupational Medicine Clinic: **858-657-1600** and follow their instructions.

   If you are a student, refer to Student Health Services: **858-534-3300** and follow their instructions.

   If you are unsure of your employment status contact **858-534-2454**.

   After normal business hours:

   Proceed to the Thornton Hospital Emergency/Urgent Care Unit: **858-657-7600**

   Laser eye injuries should be evaluated by a physician as soon as possible.

3. Inform your Principal Investigator of the accident as soon as possible.
   An Incident Report must be filed within one business day after the accident.
   Information on completing an Incident Report can be obtained at: [http://blink.ucsd.edu/go/injuryreport](http://blink.ucsd.edu/go/injuryreport)

4. Inform the UCSD Laser Safety Officer of the accident as soon as possible.
